PETITION UNDER 37 C.F.R. 1.10(d)

Legal Staff
International Division

Sir:

The above-referenced application was filed with the United State Postal Service (hereinafter "USPS") using "Express Mail Post Office to Addressee" service of the USPS. However, the USPS incorrectly noted the "date-in" on the Express Mail" mailing label as July 14, 2004, instead of the correct date of July 12, 2004. Thus, the United States Patent and Trademark Office (hereinafter "USPTO") assigned an incorrect filing date of July 14, 2004. Accordingly, the Applicants petition the USPTO herein under 37 C.F.R. 1.10(d) to have the filing date corrected based on the following evidence.

Attached hereto as Exhibit 1 is a true and correct copy of the "Express Mail" mailing label showing a "date-in" of July 14, 2004, the label being entered into the Applicant's representative's file on July 13, 2004 with tracking number EV 3512000551, which was clearly marked on the "Certificate of Mailing by Express Mail Under 37 CFR 1.10" and "Transmittal letter" accompanying the present application and place there prior to mailing by "Express Mail", true and correct copies being attached as Exhibit 2. Attached hereto as Exhibit 3 is a print out of the shipping details of the above tracking number from the United States Postal Service (USPS) website evidencing receipt of the above-referenced application with the USPS in Chicago on July 12, 2004, at 7:33 p.m. and further evidencing, the USPTO's physical receipt of the above-referenced application on July 14, 2004 at 9:24 a.m. in Alexandria, Virginia. Also attached

hereto as Exhibit 4 is a true and correct copy of the Daily Express Mail Processing Log for July 12, 2004 of the Applicant's representative's evidencing the same tracking number was used in Express mailing of the applications (identified by the Applicant's representative's docket number) in the submission of the above-referenced application on July 12, 2004 to the USPTO using USPS Express Mail. Finally, attached hereto as Exhibit 5 is a true and correct copy of a postcard receipt from the USPTO showing the incorrect filing date of July 14, 2004 accorded to the present application.

In light of the foregoing, the Applicants submit this petition respectfully requesting the Director to: 1) correct the filing date for the above-referenced application to properly reflect July 12, 2004; and thereafter, 2) allow the above-referenced application to proceed with examination.

STATEMENT OF FACTS

The Applicants recently became aware that the above-referenced application was incorrectly assigned a filing date of July 14, 2004, and thereby will be considered abandoned by the USPTO. Upon investigating this issue further, Applicants have located the shipping details associated with the submission of the above-referenced application and have provided a copy attached hereto as Exhibit 3. Furthermore, Applicants have provided as Exhibit 4 attached hereto the Daily Express Mail Processing Log from July 12, 2004 evidencing the assignment of tracking number EV 351200551 by the USPS to the original submission of the above-referenced application. Exhibits 3 and 4 clearly demonstrate receipt by the USPS of the original submission of the above-referenced application on July 12, 2004 at 7:33 p.m. in Chicago, Illinois.

In addition, attached hereto as Exhibit 2 is a true and correct copy of the "Certificate of Mailing by Express Mail Under 37 CFR 1.10" and "Transmittal Letter to the United States Designated/Elected Office Concerning a Filing Under 35 U.S.C. 371 accompanying the original submission, evidencing both the Express Mail Label No. of EV 351200551, and a submission date of July 12, 2004.

In consideration of Exhibits 2-4, and 37 C.F.R. 1.10(d), Applicants hereby respectfully petition the Director to correct the filing date of for the above-referenced application to July 12, 2004, and thereafter, allow the above-referenced application to proceed with examination.

Applicants respectfully submit that by this petition, Applicants have provided a brief statement of facts, and points to be reviewed sufficient to allow the Director to grant the actions requested. In addition, Applicants respectfully request the Director to contact the undersigned Applicant's attorney directly so that proper action can be taken, if for any reason, the Director anticipates that this petition and its exhibits are not sufficient to grant the actions requested.

CONCLUSION

For the foregoing reasons, Applicants respectfully request the Director to correct the filing date for the above-referenced application to properly reflect the date of July 12, 2004, and thereafter, allow the above-referenced application to proceed to examination.

Applicants hereby declare all statements made herein are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the Application or any patent issued thereon.

Also included with this petition is a return receipt postcard. Additionally, to the extent any fees are due in connection with this petition, please charge Deposit Account No. 02-1818 for any fees that may be due.
